

Letterland is a unique, phonics-based approach to teaching reading, writing and spelling to 3-8 year olds. The Letterland characters transform plain black letter shapes into child-friendly pictograms and they all live in an imaginary place called Letterland.

Simple stories about the Letterland characters, explain the full range of dry phonics facts so that children are motivated to listen, to think and to learn. These stories explain letter sounds & shapes, allowing children to progress quickly to word building, reading and writing.

By using Letterland you can feel confident that you are using a programme enabling children to:

- be unique, constantly learning, capable and confident
 - be independent
 - learn and develop in an enabling environment
- develop and learn in different ways and at different rates.
